2. Art Inspired by Plants

**Date of activity-**15<sup>th</sup> October 2024

**Number of Participants-** 11

**Venue-** Botany Lab, Sophia Girls' College (Autonomous), Ajmer

**Objective of the Activity-**

To provide the students an opportunity for experiential learning by Collage Making. By this activity they will get knowledge about Invasive Plants, Digital Herbarium, Biofertilizers, Indicator Plants and Ethnobotanic Plants. Plants naturally have texture, color, and patterns that make them a living canvas. Second activity is Art Inspired by plants students will get inspiration in the natural world. They will interact with nature using multiple senses and create works of art that incorporate what they observe.
